

Maricopa County Waste Tire Disposal Collection Site

Arizona State Department of Revenue Waste Tire Fee

Proof of payment to the Arizona State Tire Program

Arizona. A.R.S. Title 44, Chapter 9, Article 8, Section 44-1302

TR-1 Form

- A form from the Arizona Department of Revenue (ADOR) that is utilized by a tire dealer/retailer to submit collected tire disposal fees for new tire sales to ADOR.
- These fees are used for the processing/destruction of used tires (Waste Tire Program).
- The TR-1 form is submitted quarterly to ADOR with all collected monies for that quarter.
- <https://azdor.gov/forms/tpt-forms/waste-tire-fee>
- Starting July 1st, 2021 Maricopa County will require from new tire dealers/retailers, a copy of the most recent TR-1 submitted to the AZ Department of Revenue. A photocopy of the form filled out and a copy of payment submitted will be proof that payments have been made and will allow the tire dealer to remain a registered dealer with Maricopa County.
- Proof of payment will be collected at least once a year by Maricopa County and may be requested quarterly on an as needed basis.
- If proof of payment to ADOR is not submitted to Maricopa County within 30 days of the request, the account will convert to a “payment required” status.
- When registering for an account with Maricopa County as a user under the Waste Tire Program, the following information is required:
 - Business Name
 - Store Number (if applicable)
 - Store Address
 - Mailing Address if different
 - Phone Number
 - Email
 - Contact - name, number and email (for future TR-1 verification)
 - Most recent TR-1 Submitted (copy of filled out form and payment)

Users not Participating in the Arizona State Waste Tire Program

- If user is not participating in the waste tire fund and fees are to be regularly collected, the user may set up an account to be billed monthly or pay at time of service.
- If the account goes beyond 60 days without submitting payment, the account will convert to “payment upon services” status. When this happens, the account holder will not be allowed to dispose/drop off used tires at the Maricopa County facility until all billing is current.
- When registering for a billing account the same information is required as listed above, apart from the TR-1 Form.

All tires that are not part of the Waste Tire Program will be weighed and assessed a fee for disposal
