
Bridging Climate Change and Public Health
Energy Insecurity Workgroup Meeting
Meeting Agenda – | September 30th | 2:00PM -3:30PM

Purpose of Meeting:

1. Discuss the connection between energy insecurity and public health, climate change, and vulnerable populations through the lens of health equity.
 2. Discuss the need for community and stakeholder engagement: establish the energy insecurity workgroup
 3. Facilitate communication and collaboration across different community sectors
-

Introduction to Project – Vjollca Berisha, Maricopa County Department of Public Health, Office of Epidemiology, Climate and Health Program

Icebreaker– Diana Hernández, PhD, assistant professor of sociomedical sciences at Columbia University's Mailman School of Public Health

Overview of project– Lauren Ross, PhD, senior policy director, American Council for an Energy-Efficient Economy

Breakout 1 and report back

- *Discussion question:* What do you see as the greatest needs of the community that relate to energy insecurity? What data tools exist to help you understand the issue(s) in your community?

Energy Insecurity Working Group goals and objectives – Vjollca Berisha

Breakout 2 and report back

- *Discussion question:* How can a project like this support your needs and efforts to address energy insecurity in the community?

Wrap up and next steps – Diana Hernández
