Explanation of Requirements for a Condominium Conversion

➤ **These requirements are in addition to the items needed for a regular submittal of Sanitary Facility for Subdivision.**

- 1) Common under-ground water lines and sewer line plans as a separate exhibit, showing water and sewer lines, clean outs and water valves, and other features in the common elements.
 - One set of accurate sealed and signed as-built plans. (A registered Land Surveyor or a registered Engineer can seal and sign). "A copy of the final as-built plans must be provided to the HOA by the person working on the project" will be a stipulation of the Health Certificate.
(MCESD will not provide the copy to the HOA)

- 2) Identify on the as-built plans ALL of the water shut-off valves, backflow preventers, clean outs, etc. for the project and number them with a unique number. Take digital photographs of each one of them and put them on a separate sheet(s) with their identification number and/or provide them on CD disk with label. Include the backflow preventers for any autofill lines for pools/spas/fountain. Include a few representative photos of the exterior hose bibs with the vacuum breakers.

- 3) If the apartments/condominiums are still being lived in;
 - A copy of a current Water/Sewer/Refuse bill can be attached, replacing pages 2 & 3 of our Approval of Sanitary Facilities for Subdivision application.
 - Page 1 of our "Application for Approval of Sanitary Facilities for Subdivision" must be attached.

**** If the project is located in Phoenix, the City of Phoenix must sign the Refuse agreements **
NO EXCEPTIONS**

- 4) One (1) copy of the CC&R's that reflects ownership, operator and maintenance for common water and sewer lines.
- 5) One (1) copy of a full size Final Recorded Plat. **If the plat is not recorded, we can NOT accept your project.**
- 6) We need a complete list of the unit numbers. If there are a large number of units, you can include a copy of the list with the application packet.
- 7) Fees are figured by actual number of units. *Fee List follows.*
