This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona administrative procedure act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under section 41-1033, Arizona Revised Statutes, for a review of the statement.

#### **I. Substantive Policy Statement (SPS) Purpose:**

To clarify the procedure to determine the requirements to classify specialty contractor license of public and semi-public swimming pools.

#### **II. Statutory Overview:**

Maricopa County Environmental Health Code (MCEHC)

#### **III. SPS:**

A. The following table translates the former ROC license designations shown in MCEHC Chapter VI, Section 1, Regulation 2(e) to the new license designations:

SPS Number: WW-2015-004  
 Adoption Date: 05/13/2015
