This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona administrative procedure act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under section 41-1033, Arizona Revised Statutes, for a review of the statement.

I. Substantive Policy Statement (SPS) Purpose:

The purpose of this SPS is to clarify the Water and Waste Management Division’s administrative procedure, for an owner who begins construction of a facility where a permit is required without first obtaining the permit, to avoid legal action by submitting an application for a permit through an expedited process.

II. Statutory Overview:

Maricopa County Environmental Health Code (MCEHC)

III. SPS:

The Department issues this SPS to notify the public of the Department’s interpretation of MCEHC, Chapter 1, Regulation 4(e) and Regulation 5(c), and to clarify that the Water and Waste Management Division will allow an owner who begins construction of a facility where a permit is required without first obtaining the permit to submit a request for a permit using the Department’s expedited process, to allow the owner to come into compliance with

the Department's requirements in an expedited manner to ensure protection of public health and safety, in lieu of the Department taking legal action.

IV. SPS New Document/Revision Statement

SPS-WW-2012-001 is a new SPS with a July 1, 2012, effective date.
