This substantive policy statement is advisory only. A substantive policy statement does not include internal procedural documents that only affect the internal procedures of the agency and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona administrative procedure act. If you believe that this substantive policy statement does impose additional requirements or penalties on regulated parties you may petition the agency under section 41-1033, Arizona Revised Statutes, for a review of the statement.

I. Substantive Policy Statement (SPS) Purpose:

The purpose of this SPS is to clarify the Water and Waste Management Division’s administrative procedure for expiration of plan review approval requests and approvals of construction.

II. Statutory Overview:

- A. Maricopa County Environmental Health Code (MCEHC)
- B. Arizona Administrative Code (A.A.C.) Title 18, Chapter 9

III. SPS:

The Department issues this SPS to notify the public of the Department’s interpretation of A.A.C. R18-9-301 D 2(b) and A.A.C. R18-9-A213 B (1), and to clarify that the Department will request additional information from an applicant to determine whether a proposed facility meets regulatory requirements. The Water and Waste Management Division will classify plans that have received an approval of construction as invalid in accordance

with the requirements of the MCEHC. Plans that have not received an approval of construction due to lack of a customer response within one year to a Department request for information shall be classified as invalid. Invalid plans cannot be used by the Department to determine if a facility design qualifies for an approval to construct permit; a new submittal of plans with fee is required.

IV. SPS New Document/Revision Statement

SPS-WW-2012-002 is a new SPS with a July 1, 2012, effective date.
