RE: Health Insurance Marketplace Notification

Dear Employee:

As a result of the Patient Protection and Affordable Care Act (PPACA), a Health Insurance Marketplace (also known as "Marketplace" or "Public Health Insurance Exchange") has been established by the federal government with the intent of making health care coverage more widely available.

Employers such as Maricopa County who offer group health benefits are required to provide notice to employees about the Marketplace to inform them about other health care coverage options available to them. See the enclosed notice from the United States Department of Labor entitled "***New Health Insurance Marketplace Coverage Options and Your Health Coverage.***" As stated in the notice, to learn more about the Marketplace visit the website HealthCare.gov.

For questions regarding your benefits, contact the Employee Benefits Division at (602) 506-1010 to speak with a benefits representative.

Regards,

Maricopa County Employee Benefits Division
