VALLEY OF THE SUN YMCA MARICOPA COUNTY

PROGRAM OVERVIEW

2013-2014

Maricopa County YMCA Membership:

The membership will cost the same at any branch and will allow access to any of the 17 Valley of the Sun YMCA branch locations. Membership fees will be collected solely through payroll deductions. As an added benefit, the YMCA will be waiving the regular \$100 joining fee. For this membership all people on the same membership must be living in the same household as the Maricopa County employee. Per August 1, 2013, the County employee does not have to be insured through the County sponsored medical plan (Cigna). There will only be **one** membership group. All membership dues will be payroll deducted.

Membership Type	Monthly Co-Pay	Bi-Weekly Deduction	Includes
Adult	\$24	\$12	Employee Only
Couple NEW!	\$40	\$20	Employee + Adult living in same household
Family I	\$44	\$22	Employee + Children age 18 & under living in same household
Family II	\$51	\$25.50	Employee + Adult + Children age 18 & under living in same household*

Child Care:

Child care includes Preschool Child Care Programs, (Summer) Day Camp, Before and After-School Programs and Overnight Resident Camp, offered at significantly reduced costs. To reiterate, by becoming a Maricopa County YMCA Member, one becomes a Facility Member. As a Facility Member, County employees will receive a preferred rate for ALL programs. Plus, this unique partnership will offer an extra 15% off child care costs at the YMCA branch of service (YMCA Home Branch). Child care costs cannot be paid for through payroll deductions; employees will pay these fees directly to the YMCA branch of service. Receipts will be issued to submit, when requesting reimbursement from a flexible spending account (FSA).

Programs:

Programs, other than child care, can be purchased at the preferred Facility Member rate, but will not receive the extra 15% off.

Eligible Employees:

All Maricopa County employees are eligible for the membership savings and will receive all of the benefits stated in this overview. Family members who are living in the same household are also eligible for the membership savings. However, dependents who are between age 19 and 26, will not qualify for the membership savings. If a dependent is older than 19 and younger than 26, the YMCA offers an "Add-on" feature. This means that each dependent between 19 and 26 belonging to the family unit and living in the same household, can be added-on to the membership for \$20 per month per each dependent (between 19-26). These added-on membership fees will be collected through the same payroll deduction.

Enrollment Process:

When a Maricopa County employee signs up for a membership the following items are needed at the time of enrollment:

1. County ID Badge,
2. Employee ID Number (9-digit number that begins with 81 _ _ _ _ _)
3. Method of payment to pay the equivalent of one payroll deduction fee ***

Employees will be asked to complete a Membership Application, Membership Waiver as well as a Payroll Deduction Form. The YMCA will still **ask** whether the employee is Cigna insured or not, this is solely for internal operational purposes. It is no longer needed to **show** your Cigna card. When employees sign up for child care services, additional paperwork will need to be filled out. The employee will need to bring a method of payment for any required fees (as this will not be handled through payroll deductions).

Payroll Deduction Process:

*** At the time of registration for a YMCA membership, employees will be asked to pay the equivalent of one (1) payroll deduction fee for the membership type selected until their payroll deductions begin. Except during the August 2013 Promo (During the month of August 2013, each Maricopa County Employee signing up for a YMCA membership, followed by a Smart Start appointment, will get an entire month of membership for FREE.)

Payment Methods for Child Care Services:

Payments can be made by check or credit card directly to the branch of service. Payments can also be paid via a checking account bank draft or credit card draft. Drafts are processed twice a month - on the 5th and the 18th.

Cancellation Process:

The YMCA does not require long-term contracts; a 30 day written notice is required to change or cancel a membership. The Maricopa County employee would come to the YMCA Branch and fill out the Payroll Deduction Termination Form at the branch.
